### Special Notice.

of our special correspondent, E. G.  
Niggers, 918 F Street, Washing-  
ton, D. C.

LADY SMITH and Joe Chamberlain  
are both feeling relieved.

THE question with Porto Rico—  
taxation but no representation.

The cattlemen had a big meeting  
and a fine time at Fort Worth last  
week.

NEARLY all of north Texas was  
covered with a blanket of snow last  
Thursday.

Stock to the amount of \$60,000  
has been subscribed to the Cuero  
cotton mill.

THE quotations for spot cotton in  
Galveston last Friday were 9 1/2 cents,  
the highest in eight years.

THE Boers are gradually being  
overpowered by superior numbers.  
The ratio is now about ten to one.

IF language was given us to con-  
ceal our thoughts, President Mc-  
Kinley is an adept at the business.

BREVILLE shipped its first car-  
load of cabbage last Friday and  
will ship several more cars this  
week.

THE pen may or may not be  
mightier than the sword, but the  
Maxim gun is superior to the type  
writer.

THE war department reports that  
the Filipinos are beaten at all points,  
yet they continue to attack our men  
in force.

IN order to keep in touch with  
the sentiment of the London papers,  
Kipling will have to write a poem  
on the "Absent Minded Bragger."

IF Emperor William had built  
his play on the lines of Sappho or  
the Degenerates, it might have  
proven a success instead of a failure.  
Try again William.

THE cost of a navy strong enough  
to defend the Nicaragua canal would  
be enormous. This country should  
hold on to the right to defend the  
canal by fortifications.

GONZALES has ten candidates for  
constable, three for county treasurer  
and three for sheriff. Verily politi-  
cians are getting quite warm in our  
neighboring city and county.

THE Sons of Hermann will cele-  
brate the tenth anniversary of their  
Grand Lodge, at San Antonio, next  
Monday March 25th. Excursion  
rates are offered from all points in  
the state.

PRESIDENTS Kruger and Steyn  
have been making overtures for  
peace through the United States,  
but Britain firmly and politely  
declines them. The Boers now give  
out that they will fight to the bitter  
end.

Chamberlain has rejected the  
peace negotiations proposed by  
Presidents Kruger and Steyn and  
has disclosed the intention of Brit-  
ain to deprive the Transvaal and the  
Orange Free State of all semi-  
independence in the event of  
British success. America and France  
should protest against this high-  
handed proceeding.—Hallettsville  
Herald.

France may protest, but America  
—well, America is at present run  
by Hay and Hanna.

## 1,000,000 DEATHS!

### FROM CHOLERA DURING THE PAST YEAR.

The Germs of This Fatal Disease  
are Lurking Everywhere! Thou-  
sands of Dollars Saved by This  
Wonderful Discovery.

Hundreds of thousands of dollars  
has been lost in the poultry business  
on account of the devastation among  
the flocks, caused by cholera, roup,  
gape, and other fatal diseases. There  
have been many remedies advanced,  
but none seem to be so successful as  
the American Poultry Mixture. This  
will cure chickens in the last stage of  
cholera and roup, and is excellent  
for gapes. Do your fowls suffer from  
violent diarrhea, drooping of the  
wings, stupor or excessive thirst?  
These are the first symptoms of  
cholera. Cholera is a germ disease  
and being infectious, spreads rapidly  
through the entire flock. Take time  
by the forelock; don't stop to experi-  
ment with unreliable or untried rem-  
edies. Use this mixture at once and  
the sanitary measures they recom-  
mend in connection. Don't give the  
fowls up. Cholera is a terrible dis-  
ease but this remedy cures it every  
time. It is also guaranteed for roup,  
which can be told by hoarse breath-  
ing, swelled eyes, discharge at the  
nostrils, resembling catarrh. Fifty  
dollars is offered for any case the  
Mixture will not cure. If some of  
your fowls are diseased it will prevent  
the rest from catching it. Try it. It  
is cheap, reliable and effective; a  
scientific preparation, goes more than  
three times as far as any other rem-  
edy; does more good than all of them  
combined. It is used and endorsed  
by the most experienced and largest  
breeders of plain and fancy poultry  
in all parts of the world. The manu-  
facturers guarantee every package  
or refund purchase money. If your  
druggist don't sell American Poultry  
Mixture, he's behind the age. In that  
case send \$1.00 for sample box to  
American Mfg. Co., Terre Haute, Ind.

HON. R. B. HAWLEY has been in-  
terviewed in Washington anent the  
Waco convention and gives out the  
statement that he is "dead agin"  
chairman Green and his crowd for  
usurping the chairmanship. He  
says Ferguson is the proper chair-  
man and represents the majority of  
the Texas republicans.

WANTED Honest man or woman  
to travel for large house; salary  
\$65 monthly and expenses, with in-  
crease; position permanent; inclose  
self-addressed stamped envelope.  
MANAGER, 330 CANTON bld'g., Chicago.

NOTWITHSTANDING it has been as-  
serted that Cuero had sunk money  
trying to establish a cotton mill  
and would have naught to do with  
anything of the kind more, Cuero  
citizens have subscribed \$80,000 for  
the erection of a new mill.

There are few ailments so uncon-  
fortable as piles, but they can be  
easily cured by using TABLET'S  
BUCKEYE PILE OINTMENT. Rel-  
ief follows its use, and anyone suf-  
fering from piles can not afford to  
neglect to give it a trial. Price, 50  
cts. in bottles, tubes 75 cts. For sale  
by Aug. Grave.

Some of the disgruntled politici-  
ans are urging Mr. M. M. Crane to  
come out for Governor in opposition  
to Joe Sayers, but THE GAZETTE  
predicts that they will fail in their  
efforts. Mr. Crane is too long-headed  
to enter a losing race.

TO THE DEAF.—A rich lady,  
cured of her Deafness and Noises in  
the Head by Dr. Nicholson's Arti-  
ficial Ear Drums, gave \$10,000 to  
his Institute, so that deaf people  
unable to procure the Ear Drums  
may have them free. Address No.  
11747 The Nicholson Institute, 780,  
Eighth Avenue, New York.

The attendance at the University  
of Texas has now reached 900  
students. All students in the Aca-  
demic Department are over 16 years  
of age, students of the Medical De-  
partment are 17 years and over,  
while no student of the Law Depart-  
ment is under 19 years of age. The  
average age of the students of the  
University is about 22 years. Of  
the number more than 200 are  
young women.

of soothing, sweet, refreshing  
sleep you have had since the  
grip first got you in its clutches.

"I had LaGrippe and the disease hung on  
me for five weeks in spite of everything. I  
had a fluttering pain about my heart, could  
not eat anything, was run-down, weak, nerv-  
ous and unable to sleep. In fact I was all  
tired out and had no ambition for anything.  
I began taking Dr. Miles' Nervine and found  
rest and sweet sleep the first night. I also  
used Dr. Miles' Heart Cure and Dr. Miles'  
Nerve and Liver Pills, and can say, truly,  
they accomplished wonders for me."

Remarkable Cures of Rheumatism.  
From the Vindicator, Rutherfordton,  
N. C.

The editor of the Vindicator has  
had occasion to test the efficacy of  
Chamberlain's Pain Balm twice  
with the most remarkable results  
in each case. First, with rheuma-  
tism in the shoulder from which  
he suffered excruciating pain for  
ten days, which was relieved with  
two applications of Pain Balm, rub-  
bing the parts afflicted and realizing  
instant benefit and entire relief in  
a very short time. Second, in rheu-  
matism in thigh joint, almost pro-  
strating him with severe pain, which  
was relieved by two applications,  
rubbing with the liniment on retir-  
ing at night and getting up free  
from pain. For sale by all drug-  
gists.
